

## New pCon Registration Process When Using a Manufacturer Registration Link

When calling a new pCon manufacturer registration link, e.g. <https://login.pcon-solutions.com/catalog/6582MJ> the following process will start.

Please note, that the process differs if the user is already logged in or already has an approval of the respective manufacturer.

### Step 1: Landing Page

Welcome to pCon!

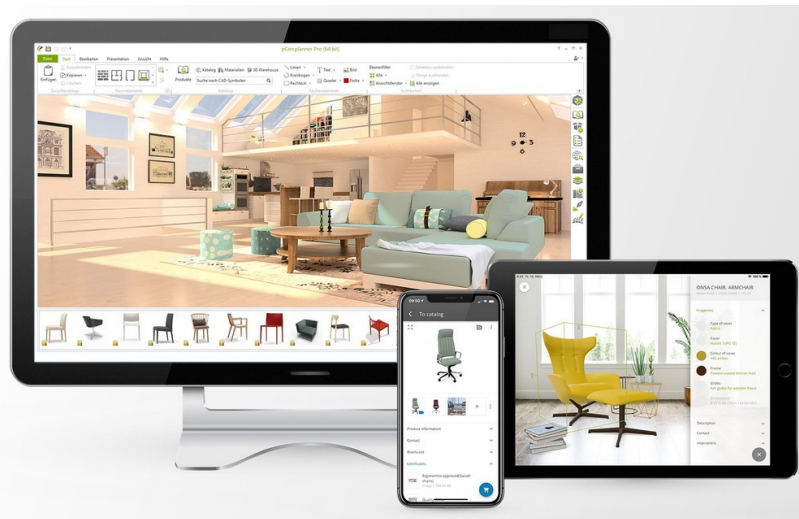

pCon offers 3D product configuration, room planning, comprehensive product information and offer creation – on mobile devices as well as desktop computers.

EasternGraphics - Materials has invited you to use their catalog on pCon.

Log in now - or register in only a few steps.

Let's go!

## Step 2: Log In or Register

Welcome to pCon.login [?](#)

  
   
[Forgot your password?](#)   
[Register](#)  
 \* Login also possible with pCon.update login data  

---

By logging in, I agree to the [Terms of Use and Privacy Policy](#).

## Step 3: Registration

## Step 5: Request Catalog Access

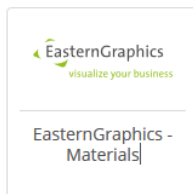

### Request Page

pCon.login

### Request Access to Catalog

EasternGraphics - Materials has invited you to use their catalog.

Hereby you request the activation of the catalog directly from the manufacturer. You will receive a notification e-mail as soon as the manufacturer has decided on your request.

Skip

Request

### Confirmation Page

pCon.login

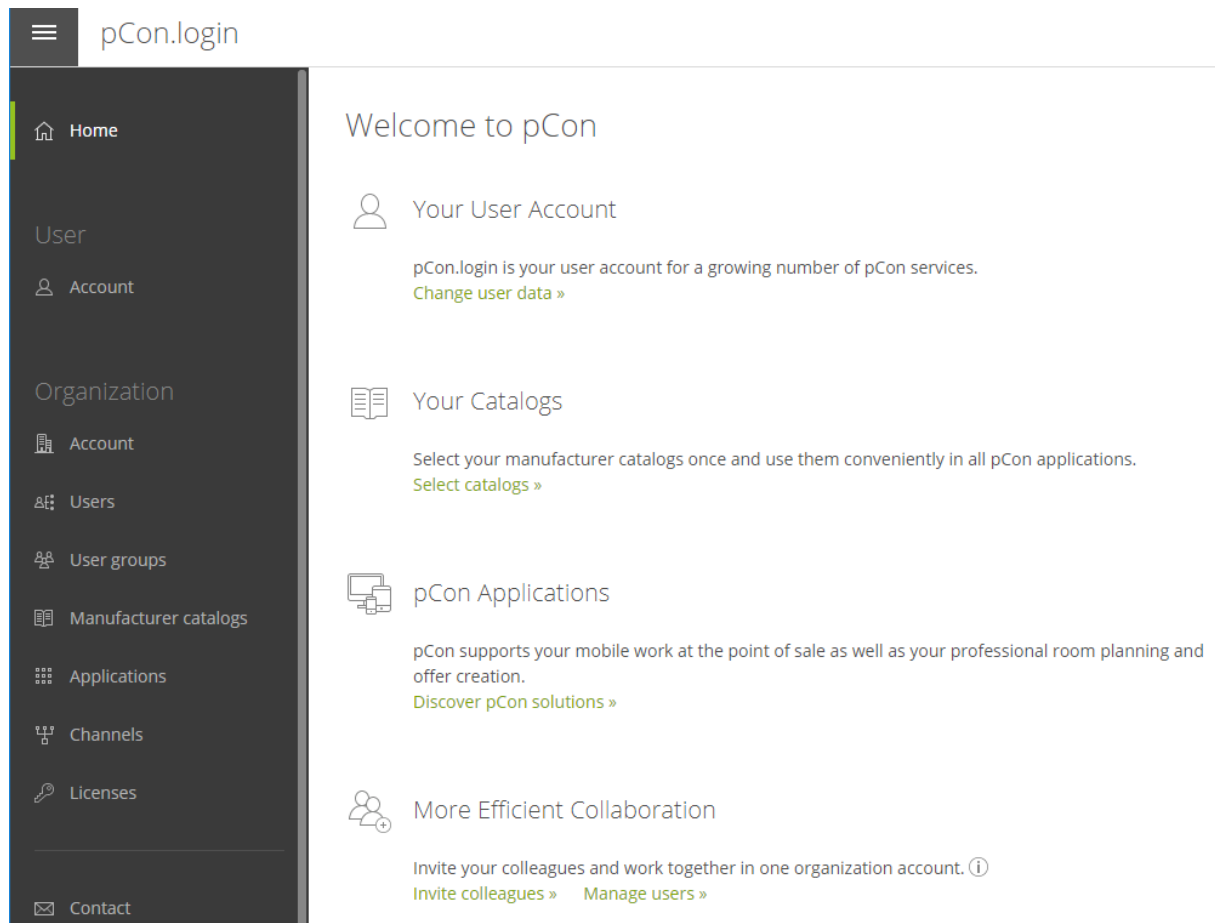

### ✓ Catalog Request Sent

Your request has been sent to EasternGraphics - Materials. You will receive a notification e-mail as soon as the manufacturer has decided on your request.

Manufacturer Overview

## Result: pCon.login account

After all, the user has an ordinary pCon.login account that he can use to access pCon applications.

The screenshot shows the pCon.login user dashboard. On the left is a dark sidebar with a menu containing: Home, User, Account, Organization, Account, Users, User groups, Manufacturer catalogs, Applications, Channels, Licenses, and Contact. The main content area is titled "Welcome to pCon" and features four sections: "Your User Account" with a link to "Change user data"; "Your Catalogs" with a link to "Select catalogs"; "pCon Applications" with a link to "Discover pCon solutions"; and "More Efficient Collaboration" with links to "Invite colleagues" and "Manage users".
